Master Certificate No. POTOSI-JAS-8720/03.07/10991-CO

BCS ÖKO-GARANTIE

This Master Certificate is to confirm that all inspected procedures in the fields of

**A. Collection from low input agriculture system**

as well as the applied inspection and control procedures are equivalent to the technical standards of certification for the strict Japanese Agricultural Standard of Organic Agricultural Products (JAS) of the Japanese Ministry of Agriculture, Forestry and Fisheries (MAFF) with concern to following products:

**Mango (*Mangifera Indica*)**

In 2007, the authorized BCS inspector, visited the operators and carried out the inspections on all levels in Colombia, country of origin.

BCS is officially registered under the Japanese MAFF since July 12, 2002. Besides this fact BCS is a EU-notified inspection and certification body, accredited by DAP according to EN 45011 for EU Regulation No. 2092/91 and EurepGAP.

This Master Certificate does not constitute any guarantee of product quality since inspection and certification criteria only refer to the standards mentioned in this document. It is only to confirm the organic origin and the equivalence to the Japanese Agricultural Standard of Organic Agricultural Products.

The certification is the result of selective inspection events. It is the certificate holder that is responsible for the permanent compliance of all requirements of the above-mentioned standards. In case essential conditions of this certification should not be fulfilled, the certification may be cancelled and the certificate has to be returned to BCS.

This certificate is **no trade certificate and is valid as original only**. Copies have to be marked as such.

The organic products may be imported from third countries to Japan and brought to the Japanese market only after the authorized imprint of the organic JAS mark onto the products.

Effective date of certification: 21<sup>st</sup> May, 2007

Scheduled date of next confirmation survey: February 2007
